

## **Stage Dreams Youth Theater Refund Policy**

While we are sure that your experience with Stage Dreams Youth Theater will be a positive one, we feel it necessary to document our refund policy so that you as our customer have full confidence in our program.

### **Dream Class**

If for some reason you or your child feels the program is not something that they want to continue with, a refund may be requested at the end of the first class that will be equal to the full amount paid minus \$79.00 which is used to cover script and show licensing fees. For cancellations occurring after casting the amount will be equal to the full amount paid minus \$150.00 which is used to cover script and show licensing fees, and the audition process. If cancellation occurs after week three the amount refunded will decrease by \$25 per week until week 10 of classes. Due to the fact that the class will be in critical final preparations for our show, after week 10 no refunds will be given. If you are on a payment plan option, no further charges will occur after your account balance has been settled and upon notice of discontinuation is provided to the Artistic Director via email.
